Better Blokes 2022: Electives

There are two elective sessions on Saturday afternoon.

UNSTUCK

(Delivered twice)

None of us like being stuck somewhere we don't want to be, doing something we don't want to do. If you find yourself stuck in addiction, apathy or anxiety, Jesus can set you free to fulfil your God given purpose. If you have found yourself stuck in a rut for some time, this elective will unpack some ways that we can get unstuck and get on with what God has for us.

Jason Elsmore is a regular Aussie bloke. He is married to Susan and together they have four adult children and one beautiful granddaughter. Jason also leads a large Baptist church and is passionate about communicating the good news of Jesus in a way that people can understand today. He has been in local church ministry for over 27 years in New South Wales and Queensland.

A ONE-SIDED CONVERSATION IS NOT A RELATIONSHIP – THE ART OF HEARING GOD'S VOICE.

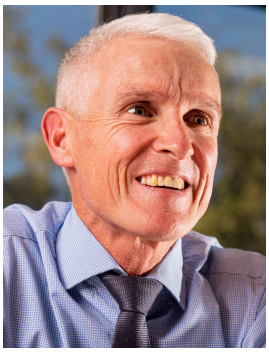
(Delivered twice)

In this elective, Theo will share some thoughts about hearing God's voice conversationally in real time. How this enables an exciting, life giving and functional two-way relationship. We'll discuss the major impediment to hearing the Father speak and some tips on identifying who is speaking in our thoughts, God, me, or the enemy. We will finish off with a couple of exercises to give an opportunity to hear the Father speak.

Theo Broekman is a husband of one (the beautiful Linda), father of nine. Twelve-year host of Shed Night in Deniliquin. Pastor, stay-at-home dad, drug rehab volunteer, rabid Wests Tigers fan, Hunter, fisherman… I Love Jesus and I'm passionate about equipping the saints to hear from and relate to their loving Father.

NAVIGATING CHANGE IN YOUR LIFE – KNOWING WHEN GOD TAPS YOU ON THE SHOULDER

(Delivered twice)



Life can change many times - different jobs, different locations, and new responsibilities. We all have times wondering "How do I get all this done?" Life doesn't have to be lived on the back foot. You can choose to take it head-on, knowing that God knows the path specifically designed for you. My desire is that every disciple of Jesus lives the life they aspire to.

Tony Davies loves Jesus. He is a husband and father. He's also a careers coach, wellbeing coach, vocational trainer, educator, entrepreneur, business owner, presenter, and property investor.

SHED HAPPENS - AN ELECTIVE FOR SHED LEADERS

(Delivered in 2 consecutive sessions)

Better Blokes is committed to Shed Happens growing stronger in the future. We are aware that after our loss of Ian and two and a half years of restricted movement and gathering that Shed Happens locally and nationally has felt these challenges.
This year we have set aside two elective sessions for shed leaders to meet face to face and to playfully explore and agree:

- **The core tenants of shed**
- **Desired vision for shed**
- **Changes we need to lead**

The Aim of the process is to

- **build connection between leaders**
- **to discover the important things about shed that we agree**
- **to identify challenges and opportunities that need to be addressed**
- **agree what God is saying about the future of Shed Happens**

Dale MacArthur is an Aussie family man, business and ministry leader. He believes that every man is important to God and every man has great potential to discover. Dale is passionate about helping men consider who they are and where they are in life and more importantly who they are becoming.
